

ARM-BAR

MAGNETIC LIGHTING BAR MOUNT

Model No. LNCBAR

The ARM-BAR magnetic lighting bar mount by **Light-N-Carry** offers convenient mounting of **Light-N-Carry** work lights and A/F/S lights under the hood of any vehicle being serviced. Featuring expanding arms and articulating hooks with 360 degree adjustability, the ARM-BAR provides engine light coverage in a fully adjustable format. Rubberized hooks ensure that the vehicle's finish doesn't get scratched, and its robust aluminum chassis holds up to the harshest of shop environments.
