Light-N-Carry Rechargeable Torch Lights are great for the tech that needs a light that is reliable, tough and provides effective illumination. Whether you need a superior lighting solution in the workplace or your personal garage, **Light-N-Carry** Torch Lights are for you.

Light-N-Carry Torch Lights deliver a high intensity beam from their advanced LED light engines. Each model features a zoomable torch setting that allows the user to choose a broader or more focused area of illumination. Adjustment is quick and easy, with either a pull or twist of the light. All models feature a rugged aluminum housing for durability in even the harshest work environments, 5 ft. impact resistance rating and a 1 year warranty.

Model LNC375 (pictured at right) includes a wireless charging base for hassle-free charging. Simply dock the torch in the base to begin charging. An LED indicator ring in the base of the torch alerts you to charging progress. It also includes a 2A wall charger and braided micro USB cable.

LNC375 includes
Wireless Charging Base,
Braided USB Cord and
5V 2A AC Adapter.

Model No. LNC312

- 120 Max Lumen Torch Mode
- Twist Action Zoom
- Dimmer Function
- Magnetic Mount
- Protected MicroUSB Charging Port
- Charging Status LED Indicator
- USB/Micro USB Braided Charging Cord
